Election/Restrictions

Applicants hereby withdraw the traverse to the election of the invention of Group IV that was previously made in their paper transmitted by facsimile on December 18, 2003.

Application

In the Office Action, the Examiner stated that this application is in condition for allowance except for the presence of claims 4, 5, 11, 12, 27-32, 34-40, 44, 45, and 49-52, and the subject matter that is not in Group IV to an invention non-elected with traverse in Applicants response of December 18, 2003. Applicants believe the above amendments to the claims and withdrawal of the traverse satisfies the Examiner's request to cancel the noted claims or take other appropriate action.
